Presentation

CASARA

The Civil Air Search and Rescue Association (CASARA) is a Canada-wide volunteer aviation association dedicated to providing air search support services for downed aircraft and humanitarian support. CASARA also promotes Canada's Search and Rescue Program across Canada. Volunteers are on call 24 hours a day, 365 days a year to assist in providing air search assistance to the Royal Canadian Air Force.

The presentation will include best practices if you've been forced down. They will also be displaying some of their equipment and their search drone.
